Parish Council Consultation

Dear Resident,

The Parish Council are seeking your views on how Community Infrastructure Levy (CIL) should be utilised within the Parish.

Currently the amount held by the Parish Council is £103,771.83. This amount could increase with further development within the Parish.

The CIL Regulations 2010 require the funds received to be spent to support the development of the local area by either:

- The provision, improvement, replacement operation or maintenance of infrastructure or
- Anything else that is concerned with addressing the demands that development places on an area.

Further details are available from <http://www.huntingdonshire.gov.uk/planning/community-infrastructure-levy-cil>

Below are some suggestions already received from the Parish Council Surgeries and correspondence. Please tick those projects you would support:

Cafe		Replacement street lighting for Holywell	
Community Bus		Return of funds to HDC for use on a strategic project in Huntingdonshire (eg. Schools, highways)	
Footpath and street lighting on Overcote Lane to join with the Wildlife Reserve		Sensory garden	
Outdoor gym equipment		Skate Park	
Parish office improvements		Stage in village hall	
Play area improvements		Upgrade footpath 10- Holywell to St Ives	
Re-instatement of Holywell ferry			

Other suggestions/comments. Please continue overleaf if necessary:

Your views are important and will be considered by the Parish Council. A strategy will be put in place for delivery of project(s) that meet CIL regulations.

Please return forms by **Wednesday 31st October** to the Parish office at the address above or email your reply to needingworthpc@btconnect.com.
